LaConner Tulip Rallye
Saturday, April 24, 2010**

The 29th Annual LaConner Tulip Rallye is just around the corner. Over 25 car clubs participate in the fun. This event gives each club member a chance to win first place within their club (must have a minimum of five cars entered to be considered a car club). Car clubs often use this event as their Spring driving event, and yet, share the day with other clubs.

Last year we toured through the flower fields and water front views of Whidbey Island. We featured Coupeville, where donations by the entrants to the "Gifts from the Heart" food bank tallied over \$1,400.00 in donations and about 725 cans of food. How thrilled we were! So, what will we do for an encore?

The 2010 LaConner Rallye will be shorter in driving distance enabling the entrants more time to explore the flower area. There will be water views and challenges along the way. Entrants are asked to remember to bring canned goods and/or a generous donation for the local food bank. Overnight accommodations near the starting point are available at the Holiday Inn Express in Burlington.

Dust your car off and come out for a day of fun.
