

Christmas Party – December 10, 2011

The MG Club Christmas party was held on December 10th . It was hosted by Rodger and Carol and held in the community building where they live. What a perfect place to hold our party. The surroundings were beautiful , warm, and comfortable. The Club had approximately 40 people show for the party. There was loads of great food. The gift exchange was great fun, with a MG Christmas ornament, handmade silk MG logo, and brownie pan being the hot ticket items. Lots of laughs and fun. Thank you so much to Rodger and Carol for all of their hard work to prepare for this event. It is greatly appreciated by all.

A bit of business was conducted. The group voted on donating \$100.00 to each of four food banks for Christmas-Camano/Stanwood, Mt. Vernon, Sedro Woolley, and Ferndale. Becky Taft will get the names of the food banks to Kathy Randell so that the money can be sent. Also, the annual meeting will be held Sunday , January 8th. The meeting will be held at Carol and Roger's community room and the club will provide pizza. See the web for more details.
