Francie Jacobson approved the minutes, Carol LaBerge seconded the minutes and they were unanimously approved by the members present.

Secretary Report: Kathy Randell gave the financial treasurer report. The current balance in the checking account is \$1,538.35. There will be an additional \$160 deposited next week (week of 4-4-11). Kathy reported that we currently have 38 members. Rodger Rude had contacted members that had not paid dues to date. There are still two members that indicated that wanted to join but have not paid. There were several that he left a message.

Old Business: The Tulip Rally is April 23rd. If you want to put your car in the rally the deadline to submit the registration form is April 14th. They are going to stop by "Evelyn" house on the way. It is \$12.00 to put your car in the Tulip Rally.

Reno Trip- If you are planning on going on the Reno trip and want to stop at Train Mountain, you need to let Rodger and Carol know so that they can plan for the correct number of trains and plan for lunches. The cost for lunch will be under \$10.00. Some members are stopping on the way down on Sunday (June 12th). The Canadian group is stopping on Sunday, (June 19th) on the way back. It is 250 miles to Reno from Train mountain. Rodger would like to have everyone there by noon. Francie said people that plan to stop at Eugene may want to reconsider. Eugene is having graduation week the week of Reno. You probably need to find other places to stay. It is a two hour drive from Bend to Train Mountain. Lye and Bill are going I-5. Tim, John, George are going I-90 and ending in Bend. Dave Leslie are staying in Klamath Falls and will end in Reno on Wednesday. Stan and Kathy haven't decided about whether they are going.

Rodger reminded people that they should bring a wide rimmed hat and sun tan lotion as it can get pretty hot at Train Mountain. Becky brought up matching shirts. It was suggested that we order shirts matching your car and then add the black MG logo.

Sun Mountain Lodge will not be on list of activities this year. The **Club Christmas party**

will be hosted by Rodger and Carol and is scheduled for Saturday , Dec. 10th. Tim will call Tom Noel and see if he is interested in doing the Steak and Ale Run.

New Business: Becky suggested doing a business card so that we can hand it out to people we see that are interested or have an MG. She provided a sample business card, but welcomed any other ideas. She thought the business card might promote more people becoming members. Becky believes our “mission” statement should be incorporated on the business card. Tim will give a try to design a card and put it up for vote. It was suggested that the back of the business card have a place “Presented by” and “telephone number”. This would give potential members a quick way to contact us.

Becky stated that the calendar is for upcoming events is on the back of agenda. Those listed in **Bold** are the MG Club sponsored meets. Stan and Kathy Sexton will plan the Sultan run between May 14th and 29th. The Ice Cream social is tentatively scheduled for Aug 7th at Dave and Leslie Borg’s home. Tim and Kathy will be doing the Humpy Run. Marilyn and George are going to do the actual run for Susan Parr for the Crab Feed. Reservations for the Crab Feed **WILL** be needed by August 1st. ElRae is doing another garage sale on May 20th & 21st at 9:00am. Lots of tools and equipment for sale.

The Club is 15 years old this year. Certificate of achievements for those that have been members for 15 years were handed out. Wayne and Cathy Musselman, John and Louise Weber, Margaret Travis, Evelyn Strasler, Kevin and Cherie Colby, Lyle and France Jacobson, Marty and Gail Haines all received 15 year certificates. Francie Jacobson was awarded a Certificate of Appreciation for her years of service as Secretary/Treasurer. She has done an incredible job and the Club very much appreciates her service.

Margaret Travis is doing well. Her son has her two cars. But she is getting out and about.

The All British Field Meet wants a representative. Dave Borg will be our representative for the Mt. Baker Club. He will make sure that everyone gets the information about attending.

Dave Borg is trailering his car down to Reno. If people have extra luggage or things they want trailered down or back, he is willing to help with that.

The meeting was adjourned.
